THE BOOK

A graphic novel series for ages 8-12
by Richard Fairgray

Dash and Lily haven't even been at Black Sand Beach a day when things start to get creepy. The lighthouse that apparently hasn't worked for over a century is not only blinking, but also whispering Dash's name.

With the help of Andy and Eleanor (Dash's weird cousins) they begin to investigate all the strange impossibilities.

Of course, the mystery behind the haunted lighthouse barely scratches the surface of spookiness at Black Sand Beach.
